## FOODTECH Ultracomp Syn 46

Food Grade Synthetic Compressor Lubricant

Product Code: AVD

### Product Description

Pennine *Foodtech* Ultracomp Syn 46 is a premium quality food grade synthetic compressor oil designed for use in rotary air compressors. The product is manufactured and approved to InS H1 standard for lubricants where incidental food contact may occur. Incorporating anti-wear, anti-corrosion and oxidation inhibiting additives to enhance performance, it is ideally suited to meet the needs of rotary air compressors used in and around food manufacturing and handling areas.

### Applications

Recommended for use in rotary air compressors commonly found in food and beverage plants where incidental food contact may occur. Such plants include bakeries, dairies, breweries, bottling plants, canneries, animal feed plants, food packaging manufacturing plants and a wide range of other food related areas. It may also be used in hydraulic systems where an ISO VG 46 hydraulic oil is required and a certain amount of rationalisation is desirable. The purity of this product also enables it to find use in air compressors in other areas where a colourless, odourless, non-toxic lubricant is required.

### Typical Test Data

Foodtech Ultracomp Syn	46
Approval Number:	1795431
Product Code:	AVD
ISO Viscosity Grade	46
Density @ 20°C	0.88
K. V. @ 40°C cSt	46
Flash Point °C	205
Pour Point °C	-15

## ***FOODTECH* Ultracomp Syn 46**

**Food Grade Synthetic Compressor Lubricant**

Product Code: AVD

### **Availability**

Pennine Foodtech Ultracomp Syn 46 are available in 1000 litre IBC's, 205 litre barrels, 25 litre drums and 5 litre plastic bottles.

### **Storage**

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

### **Health and Safety**

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement, we therefore reserve the right to change specifications without notice.
