High Foam Fleetshine

Multipurpose Vehicle Cleaner With Wax
Product Code: AT9

Product Description

Pennine High Foam Fleetshine is a triple action vehicle cleaner designed to remove all forms of road traffic film effectively and efficiently. Suitable for cleaning coaches, buses, HGV's, vans and passenger cars Pennine High Foam Fleetshine gently removes dirt and grime without accelerating metal corrosion or damaging paintwork, glass or rubber.

This product contains a rinse off additive, aiding drying time, and leaves vehicles with a streak free "just waxed" appearance.

Application

Brush / Sponge Washing

Dilute at a ratio of 1:40 in water and apply liberally to the vehicle.
Allow to soak before rinsing thoroughly with clean water.

Pressure Wash Systems

Dilute at up to 1:150 with water depending on the degree of soiling. Apply at low pressure from bottom to top and allow product to soak.
Rinse thoroughly with clean water at high pressure.

Typical Test Data

Appearance	Viscous Liquid
Colour	Water White
Odour	Mild, Slightly Soapy
Density @ 20°C	1.01

Availability

Pennine High Foam Fleetshine is available in 1000 litre IBC's, 205 litre barrels and 25 litre drums.

Storage

Store in dry conditions and avoid extremes of temperature, protect from frost.

Health & Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement, we therefore reserve the right to change specifications without notice.
