Ultrasyn FS 5w/40

High Performance Full Synthetic Motor Oil
Product Code: A0F

Product Description

Pennine Ultrasyn FS Motor Oil 5W/40 is a high-performance multigrade engine oil designed to support the increasing performance and technological complexity of modern engines, using synthesised hydrocarbon base stocks and specially selected additives it offers the highest possible protection and cleanliness.

Applications

Recommended for use in most four stroke passenger car and light commercial Petrol and Diesel engines, naturally aspirated and turbocharged, it offers easier cold starts with lubrication down to -30°C and maintains its protective film even up to the highest engine operating temperatures. Reduced friction, due to the lower viscosity, leads to better fuel economy and a cleaner environment through reduced carbon dioxide and nitrous oxide emissions.

Performance Specifications

This product meets or exceed the following performance specifications:

API SL/CF	ACEA A3/ B3, A3/B4	MB 229.3	GM LL-B-025	VW 502.00, 505.00
BMW Longlife-98		Renault RN 0700, RN0710		Porsche A40

Typical Test Data

	A0F
SAE classification	5W/40
K. V. @40° C (cSt)	93.0
K. V. @ 100° C (cSt)	14.7
Viscosity Index	165
Flash Point (COC) °C	223
Pour Point (°C)	-36
TBN (mgKOH/g)	10.2
Density @ 15°C	0.849

Certificate Number: 9480
ISO 9001

Product Code: AOF

Availability

Pennine Ultrasyn FS Motor Oil 5W/40 is available in bulk, 1000 litre IBC's, 205 litre barrels, 25 litre drums, 5 litre and 1 litre plastic bottles.

Storage

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

Health & Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement, we therefore reserve the right to change specifications without notice.
