Ultrasyn PRO-J 5w/30

Low SAPS Full Synthetic Engine Oil
Product Code: A0G

Product Description

Pennine Ultrasyn PRO - J 5w/30 is a technologically advanced full synthetic low SAPS engine oil. The low SAPS (sulphated ash, phosphorous and sulphur) additive technology is designed to greatly enhance the life of after treatment systems such as diesel particulate filters thus maintaining emission control equipment efficiency and minimising environmental pollution. The synthetic base and specially selected additives incorporated in the product offers the highest possible protection, cleanliness and performance. The product offers excellent cold start protection, tremendous film strength and outstanding performance.

Applications

Particularly recommended for use in vehicles where a low SAPS fuel efficient engine oil is recommended including: Ford, Mazda, Jaguar and Land Rover where the below specifications are required. The product is suitable for petrol and diesel engines both turbo charged and naturally aspirated.

Performance Specifications

This product meets or exceeds the performance requirements of major motor manufacturers and the following specifications: -

Ford M2C934 - B

ACEA C1, C2

Jaguar / Land Rover STJLR.03.5005

Typical Test Data

	A0R
SAE classification	5W/30
K. V. @40° C (cSt)	53.4
K. V. @ 100° C (cSt)	9.84
Viscosity Index	173
Flash Point (°C)	234
Pour Point (°C)	-39
Sulphated Ash (% wt)	0.5

Ultrasyne PRO-J 5w/30

Low SAPS Full Synthetic Engine Oil

Product Code: A0G

Availability

Pennine Ultrasyne PRO-J 5w/30 is available in bulk, 1000 litre IBC's, 205 litre barrels, 25 litre drums 5 litre and 1 litre plastic bottles.

Storage

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

Health & Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement, we therefore reserve the right to change specifications without notice.
