Ultrasyn PRO-V 5w/30

Low SAPS Full Synthetic Engine Oil
Product Code: AOR

Product Description

Pennine Ultrasyn PRO - V 5W/30 is a new generation low SAPS full synthetic engine oil designed to cater for VW Audi group passenger cars and light duty commercials with both normal and extended drain intervals. The synthetic base and specially selected additives incorporated in the product offers the highest possible protection, cleanliness and performance. The product offers excellent cold start protection, tremendous film strength and outstanding performance.

Applications

Primarily recommended for use in modern VW Audi Group cars (Volkswagen, Audi, Seat, Skoda) and light duty commercial vehicles both petrol and diesel, naturally aspirated and turbocharged particularly those fitted with Euro IV engines where tight emission control and ultimate engine protection is required.

Performance Specifications

This product meets or exceeds the performance requirements of major motor manufacturers and the following specifications: -

VW 504.00, VW 507.00
MB 229.51 BMW Longlife-04 ACEA C3 API SN Porsche C30

Ultrasyn PRO-V 5w/30 is backward compatible with a number of preceding VW specifications, please consult our Technical Department for further assistance regarding this.

Typical Test Data

	AOR
SAE classification	5W/30
K. V. @40° C (cSt)	72.3
K. V. @ 100° C (cSt)	11.8
Viscosity Index	160
Flash Point (°C)	212
Sulphated Ash (% weight)	0.60
TBN (mg KOH / g)	6.00

Certificate Number: 9480
ISO 9001
