Vacuum Pump Oil 32 WF

High Quality Vacuum Pump Oil

Product Code: A5R

Product Description

Pennine Vacuum Pump Oil 32 WF is a high quality lubricant manufactured from straight cut high viscosity index solvent refined virgin base oils. The product incorporates special anti wear and anti oxidation additives, has a high flash point, good demulsability and anti-foaming properties.

Applications

Designed for use in many vacuum pumps where an ISO VG 32 mineral oil is specified by the manufacturer.

Typical Test Data

Vacuum Pump Oil EHV	
Product Code	A5R
ISO Viscosity Grade	32
Density @ 20°C	0.87
K. V. @ 40°C cSt	32
K. V. @ 100°C cSt	5.3
Viscosity Index	101
Flash Point °C	226
Pour Point °C	-22

Availability

Pennine Vacuum Pump Oil 32 WF is available in bulk, 1000 litre IBC's, 205 litre barrels, 25 litre drums, 5 litre and 1 litre plastic bottles.

Storage

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

Health and Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement; we therefore reserve the right to change specifications without notice.
