Super Brick Oil

Low Odour Multipurpose Brick Oil
Product Code: AM0

Product Description

Pennine Super Brick Oil is a pale coloured, low odour, low viscosity brick oil formulated from non-hazardous raw materials.

Applications

Pennine Super Brick Oil is specially formulated as a multipurpose brick oil suitable for use on both moulds and wire-cut tables. It may be applied by spray, brush or swab. It is easy to apply and relatively pleasant to use.

Typical Test Data

Appearance	Clear Pale Straw
K. V. @ 40°C (cSt)	5.6
Density @ 15°C	0.84
Flash Point (°C)	>61

Availability

Pennine Super Brick Oil is available in bulk, 1000 litre IBC's, 205 litre barrels and 25 litre drums.

Storage

Barrels of lubricant should always be stored in such a way that will prevent the ingress of water when stored in the open.

Health and Safety

Please refer to the relevant Health and Safety Data Sheet, a copy of which is freely available to all our customers.

Data represented is typical of that obtained with normal production tolerances and does not constitute a specification. The policy of Pennine Lubricants is one of continual improvement; we therefore reserve the right to change specifications without notice.
